

RACHAM EMPOWERMENT & HUMANITARIAN FOUNDATION

ABOUT US

Racham Empowerment and Humanitarian Foundation is a leading empowerment and humanitarian organization dedicated to making a positive impact in Africa, especially in the lives of widows. We are committed to addressing the unique challenges faced by individuals and communities, with a strategic focus on widows, promoting empowerment, equality, and sustainable development.

OUR VISION

Creating empowered communities, transforming lives—our vision is to break the cycle of needless death, illiteracy, hunger, and hopelessness, particularly for widows who lack access to basic needs such as food, education, shelter, and medical services.

OUR MISSION

Racham Foundation is committed to empowering individuals, especially widows, by addressing pressing social, economic, and environmental challenges. Through our humanitarian efforts, we strive to uplift widows and other marginalized communities, ensure access to education, promote healthcare, and support sustainable livelihoods.

OUR APPROACH

We prioritize a holistic, widow-centered approach to empowerment and humanitarian work. We collaborate with international and local partners to design sustainable solutions tailored to the cultural and economic contexts of widows in the communities we serve.

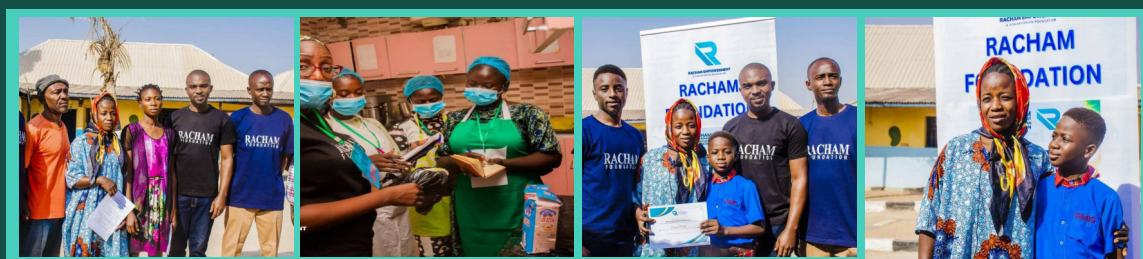

AREAS OF FOCUS (WIDOW-CENTERED INTERVENTIONS)

1. **Economic Empowerment for Widows:** Supporting widows through entrepreneurship, vocational training, access to seed capital, and financial literacy to create sustainable income.
2. **Education and Skill Development for Widows and Their Children:** Ensuring widows' children have access to education through scholarships and supporting widows with skills needed to improve their families' futures.
3. **Healthcare and Well-being for Widows:** We organize free medical outreaches for widows, including consultations, eye care, hepatitis screenings, and free medications.
4. **Gender Equality and Women Empowerment (Widows Inclusive):** We promote gender equality by supporting widows with equal access to economic and social opportunities.
5. **Humanitarian Assistance to Widows:** We provide essential humanitarian relief such as food, shelter, and healthcare services to widows, especially in underserved communities and IDP camps.

PAST IMPACTFUL PROGRAMS (FOCUSED ON WIDOWS)

1. Racham Widows Free Skill Acquisition in Guidna Community, Abuja
 - 100 widows were trained in soap making, baking, and confectionaries.
 - Free medical outreach benefited almost 100 widows with medications and eye tests.
 - Widows shopped freely for food and clothes through our Racham Free Food & Clothing initiative.
2. Racham Free Skills Acquisition Bootcamp (Widows Inclusive)
 - In January 2024, 28 young women were trained in videography, photography, web design, digital marketing, and fashion designing.
3. Racham Free Medical Outreaches for Widows
 - Conducted in Bapuma Dutse, Gwarimpa, and Guidna between May 2024 and May 2025, providing essential healthcare services to over 500 widows.
4. Racham Educational Scholarships for Widows' Children
 - 10 indigent and orphaned children, mostly from widow-led households, received scholarships at nursery, primary, and tertiary levels.

UPCOMING 2025 PROJECTS AND OUTREACHES

1. Widows Empowerment & Skill Acquisition Outreach: We aim to empower 300 widows in tailoring, soap making, puff-puff, chin-chin, and other confectioneries, along with food and cloth distribution and medical care.
2. Rural Outreach Expansion for Widows: We plan to reach 2,000 widows in 20 underserved communities (e.g., Kuje, Gwagwalada, Kagini, Nasarawa, Kaduna, Plateau, and IDP camps affected by Boko Haram).
3. Scholarships for Widows' Children: We will provide scholarships for 2,000 orphaned and vulnerable children from widow-headed households.
4. Shelter Provision for Widows and Their Children: 500 widows and their children will be supported with safe shelter.
5. Healthcare Outreach for Widows: Medical outreach programs will target 2,000 widows and their families.

Racham Empowerment and Humanitarian Foundation conducted outreaches to several communities for Widows and Orphans. Some of this communities are located in remote areas like Guidna, Dutse Bapuma, Kagini. Some of the activities carried out include: Free skill empowerment, distribution of food and clothes and Healthcare

However some of this communities lack portable water. Many of the widows buy water or fetch water from the streams which impacts negatively on their health Racham empowerment and humanitarian foundation intends to build boreholes in at least three communities in 2025
